Kara Zabilansky
Town Administrator
Morrison, Colorado 80465

Kara:

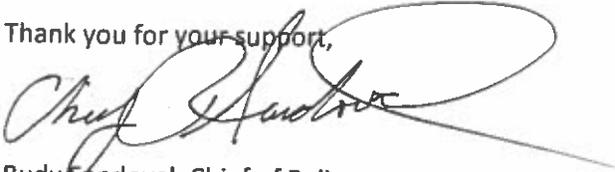

I have received a records check for a liquor license renewal of the Holiday Bar, 403 Bear Creek Ave. in town. I am sending you the following information for review by the Mayor and Board of Trustees as they consider the renewal of this license:

- April 13, 2016 – A 43 year old female felt terrible (kicking uncontrollably and panicked) after consuming a drink at the Holiday Bar while with friends. She was taken to Swedish Medical Center where they found no drugs in her system. She admitted to possibly taking a drink out of someone else's drink. The doctor told her it could have been acute psychosis.
- June 8, 2016 – A 31 year old male was asked to leave the Holiday Bar after a scuffle with a bartender in the bar. This male with visible injuries caught a cab home and reported to the police building the next day to file a complaint, he stated there should be film of the scuffle at the bar to verify his version of the scuffle. Photographs were taken of his injuries and Sgt. Leo responded to the Holiday Bar to retrieve the film. Dave Killingsworth advised the Sgt. that he was having trouble with their recording system and could not retrieve film of the scuffle.
- July 4, 2016 – Morrison Police were called to Bradley's Gas Station on a possible domestic violence situation. A male and female were contacted; they told officers that following a Red Rocks Concert they went to the Holiday Bar where they both had been drinking alcohol and got into an argument. They both had minor injuries, but denied a physical altercation. As both were visibly intoxicated they were transported to Detox.
- August 4, 2016 – Sgt. Brian Campbell was conducting town checks of the downtown businesses at about 3:00 AM. While he was behind the Holiday Bar, he was confronted by an adult male who identified himself as Dave Killingsworth. He asked Brian if he could help him and Sgt. Campbell answered no, but asked Killingsworth if he could help him. He replied "Yes, you can leave, you are on private property." He proceeded to tell Sgt. Campbell that he was only allowed on his property if he was in pursuit of someone or eating at the Holiday Bar. He then

said that your chief should know this. Sgt. Campbell then introduced himself, apologized and left the area. After the recent apprehension of three burglary suspects at "The Cow" across the street, the sergeant was being more diligent in patrolling businesses in the downtown area at night and in the early morning hours.

Thank you for your support,

Subject: Records check on Applicant for Liquor License

On July 28, 2016, we received a request from Town Administrator, Kara Zabilansky, to do a record check on Liquor License Renewal Applicants for Holiday Bar, 403 Bear Creek Ave, Morrison, CO 80465.

A records check on the applicants revealed the following information:

A records check show the applicants are clear, have no outstanding wants or warrants, and no alcohol related violations.

The Police Department has not had any problems with the applicant and has no objection to the renewal of their Liquor License.

End of report.

SEE Attached Letter.

TOWN OF MORRISON
BOARD OF TRUSTEES REGULAR MEETING
September 6, 2016
Staff Report

SUBJECT: The Red Rocks Centre landowner/developer group has submitted a request to form 3 metropolitan districts.

BACKGROUND: The Red Rocks Centre property was annexed into the Town in 20__, and was zoned at that time for a variety of residential and commercial uses. The landowner/developer wishes to move forward with the development, and has proposed that the portions of the property to be used for residential purposes be disconnected from the Town and annexed into Lakewood, leaving a commercial parcel in the Town of Morrison. The Town and City staff have met to discuss the timing of that activity. The landowner/developer is also initiating the process to rezone the property to support the residential and commercial development as currently proposed. That zoning process will be governed by the IGA between the Town and the City for development in the Rooney Valley, as well as the Rooney Valley Master Plan, which is in the process of being updated.

Any development of the property will require substantial capital investment for the required public infrastructure (including water and sewer lines, streets, lighting and drainage). Developers often fund these costs through his formation of metropolitan districts, which are allowed under the law and have the ability to issue bonds to front the infrastructure costs. The bonds are then paid by a mill levy on just the benefitted property. Metropolitan districts may not be formed without the prior approval by the Town of a "service plan" for the districts, however, and that is the request before the Board of Trustees. The developer is proposing the creation of three metropolitan districts to fund improvements throughout the property. Significantly, no debt of the districts is or can be a debt of the Town, and the mill levy can only apply to the Red Rocks Centre property, not to any other property in the Town.

The Town Attorney has insisted that one condition of the continued existence of the districts, if formed, and their ability to issue any debt, is that the residential portion of the Red Rocks Centre property first be disconnected from the Town. Staff will be able to elaborate and answer questions at the hearing. The procedure for Town review of the proposed district formation is a public hearing, followed by action of the Board of Trustees by resolution. The proposed district service plans and approval resolution are attached.

PROCEDURE:

1. Open the public hearing.
2. Staff comments: Staff and the Town Attorney have reviewed the service plan.
3. Applicant testimony/presentation.
4. The Board can ask questions of the applicant.
5. Public testimony
6. Close the public hearing.
7. Take a motion to adopt the resolution approving the service plans

I. INTRODUCTION

A. Purpose and Intent. The RRC Metropolitan District No. ___ is an independent unit of local government, separate and distinct from the Municipality and is governed by this Service Plan. Except as may otherwise be provided for by State or local law or this Service Plan, the District's activities are subject to review by the Municipality only insofar as they may deviate in a material manner from the requirements of the Service Plan. It is intended that the District will provide a part or all of the Public Improvements for the use and benefit of all anticipated inhabitants and taxpayers of the District. The primary purpose of the District will be to finance, construct, acquire, own, operate and maintain the Public Improvements as further delineated in this Service Plan and any Approved Development Plan.

B. Need for the District. There are currently no other governmental entities, including the Town and the City located in the immediate vicinity of the District that consider it desirable, feasible or practical to undertake the planning, design, acquisition, construction, installation, relocation, redevelopment, and financing of the Public Improvements needed for the Project. Formation of the District is therefore necessary in order for the Public Improvements required for the Project to be provided in the most economic manner possible.

C. Objective of the Town Regarding District's Service Plan. The Town's objective in approving the Service Plan for the District is to authorize the District to provide for the planning, design, acquisition, construction, installation, relocation and redevelopment of the Public Improvements from the proceeds of Debt to be issued by the District and other legally available revenues of the District. All Debt is expected to be repaid by taxes imposed and collected at a mill levy no higher than the Maximum Debt Mill Levy and/or Fees. Debt which is issued within these parameters and, as further described in the Financial Plan, will insulate property owners from excessive tax and Fee burdens to support the servicing of the Debt and will result in a timely and reasonable discharge of the Debt. The Municipality shall, under no circumstances, be responsible for the Debt of the District, and the Town's approval of this Service Plan shall in no way be interpreted as an agreement, whether tacit or otherwise, to be financially responsible for the Debt of the District or the construction of Public Improvements.

The primary purpose is to provide for the Public Improvements associated with the Project as necessary. To the extent not covered in the Mount Carbon/Town Water and Sewer IGA (as defined below), ongoing operation and maintenance of the Public Improvements not accepted for operation and maintenance by another jurisdiction shall be allowed to be undertaken by the District.

It is the intent of the property owner(s) to diligently pursue the Disconnection from the Town and annexation to the City of Lakewood (the "City") of all the Residential Property, as further set forth in Section VIII below and to transfer to the City jurisdiction over the Districts' Service Plans for the Districts with property entirely within the boundaries of the City. Additionally, it is the intent that no debt shall be issued unless and until such Disconnection has occurred, as further set forth in Section VI.I below.

II. DEFINITIONS

In this Service Plan, the following terms shall have the meanings indicated below, unless the context hereof clearly requires otherwise:

Approved Development Plan: means a development plan, a site plan, a plat or other process established by the Municipality for identifying, among other things, Public Improvements necessary for facilitating development of a part of the property within the Service Area as approved by the Municipality pursuant to the Municipality's Code and Ordinances and as amended pursuant to the Municipality's Code and Ordinances, from time to time.

Board: means the board of directors of the District.

Bond, Bonds or Debt: means bonds or other obligations for the payment of which the District has promised to impose an *ad valorem* property tax mill levy, and/or collect Fee revenue.

City: means the City of Lakewood, Colorado.

Developer: means Tharaldson Ethanol Plant I, L.L.C., a Colorado limited liability limited partnership.

Disconnection: means the effective date of the disconnection of all the Residential Property from the Town pursuant to an ordinance approved by the Town and including the expiration of all referendum or judicial appeals periods (and resolution of any such appeals).

District: means RRC Metropolitan District No. ____.

Districts: means RRC Metropolitan District Nos. 1, 2, and 3, collectively.

End User: means any owner, or tenant of any owner, of any taxable improvement within the District, who is intended to become burdened by the imposition of ad valorem property taxes subject to the Maximum Debt Mill Levy. By way of illustration, a resident homeowner, renter, commercial property owner, or commercial tenant is an End User. The business entity that constructs homes or commercial structures is not an End User.

External Financial Advisor: means a consultant that: (i) is qualified to advise Colorado governmental entities on matters relating to the issuance of securities by Colorado governmental entities, including matters such as the pricing, sales and marketing of such securities and the procuring of bond ratings, credit enhancement and insurance in respect of such securities; (ii) shall be an underwriter, investment banker, or individual listed as a public finance advisor in the Bond Buyer's Municipal Market Place or in the Town's sole discretion, other recognized publication as a provider of financial projections; and (iii) is not an officer or employee of the District.

Fees: means any fee imposed by the Districts for services, programs or facilities provided by the Districts, as described in Section V.G below.

Financial Plan: means the Financial Plan described in Section VI, and attached as **Exhibit E**, which describes (i) how the Public Improvements are to be financed; (ii) how the Debt is expected to be incurred; and (iii) the estimated operating revenue derived from property taxes for the first budget year. The Financial Plan is intended to represent an example of debt issuance and financing structure that may be used by the Districts.

Inclusion Area Boundaries: means the boundaries of the area legally described in **Exhibit A-2** and depicted on the Inclusion Area Boundary Map.

Inclusion Area and Service Area Boundary Map: means the map attached hereto as **Exhibit C-2**, depicting the property proposed for inclusion within the District.

Initial District Boundaries: means the boundaries of the area legally described in **Exhibit A-1** and depicted on the Initial District Boundary Map.

Initial District Boundary Map: means the map attached hereto as **Exhibit C-1**, depicting the District's initial boundaries.

Maximum Debt Mill Levy: means **fifty (50) mills**, the maximum mill levy the District is permitted to impose for payment of Debt, subject to adjustment, as further set forth in Section VI.C below.

Maximum Operating Mill Levy: means **ten (10) mills**, the maximum mill levy the District is permitted to impose for payment of administrative, operations and maintenance expenses, including reimbursement of advances for same, subject to adjustment, as further set forth in Section VI.G below.

Mount Carbon Metropolitan District: means the Mount Carbon Metropolitan District, a quasi-municipal corporation and political subdivision in the Town.

Mount Carbon/Town Water and Sewer IGA: means that certain Intergovernmental Agreement between the Town and the Mount Carbon Metropolitan District dated October 27, 2008, and any and all written amendments thereto.

Municipality: means the Town or the City with property within the boundaries of the District. Pursuant to the inclusion limitations set forth in Article V below, none of the Districts may have property in both the Town and the City.

PIF: means a fee imposed on sales transactions or lodging transactions created by a private property owner by covenant recorded on real property.

Project: means the development or property commonly referred to as RRC.

Public Improvements: means a part or all of the improvements authorized to be planned, designed, acquired, constructed, installed, relocated, redeveloped and financed as generally described in Section V.A below to serve the future taxpayers and inhabitants of the Service Area as set forth in an Approved Development Plan and as determined by the Board.

Residential Property: means all of the real property which is planned for residential uses and is contemplated to be approved for Disconnection by the Town Board by ordinance, which real property is depicted on **Exhibit C-3** attached hereto and incorporated herein by this reference. The boundaries of the Residential Property depicted on **Exhibit C-3** are approximate and are for illustrative purposes only. The final boundaries will be determined at the time of the Disconnection ordinance. It shall not be a material modification of the Service Plan nor shall the condition of Disconnection set forth in Section VIII.B below be deemed unsatisfied if the ultimate area subject to Disconnection varies from that shown on **Exhibit C-3**.

Service Area: means the property within the Initial District Boundary Map and the Inclusion Area Boundary Map.

Service Plan: means this service plan for the District approved by the Town Board.

Service Plan Amendment: means an amendment to the Service Plan approved by the Municipality in accordance with the Municipality's applicable Codes, ordinances and/or resolutions and the applicable state law.

Special District Act: means Section 32-1-101, *et seq.*, of the Colorado Revised Statutes, as amended from time to time.

State: means the State of Colorado.

TABOR: refers to Article X of the Constitution of the State.

Taxable Property: means real or personal property within the Service Area subject to ad valorem taxes imposed by the District.

Total Debt Issuance Limit: means the maximum amount of general obligation Debt the Districts may issue, which amount shall be Fifty Million Dollars (\$50,000,000.00).

Town: means the Town of Morrison, Colorado.

Town Board: means the Town Board of Trustees of the Town of Morrison.

Town Code: means the Code of the Town of Morrison and any regulations, rules, or policies promulgated thereunder, as the same may be amended from time to time.

III. BOUNDARIES [The initial area for the commercial district is 2.1 acres.]

The initial area to be included in the District's Boundaries is comprised of approximately 2.4 acres. An additional 355.1 acres is identified as the property in the Inclusion Area Boundaries, which property will not be included within the initial boundaries of the District at the time of organization, but may be included by petition of the real property owner(s) in the future. Legal descriptions of the Initial District Boundaries and the Inclusion Area Boundaries are attached hereto as **Exhibit A-1** and **Exhibit A-2**, respectively. A vicinity map is attached hereto as **Exhibit B**. A map of the Initial District Boundaries is attached hereto as **Exhibit C-1**, and a map of the Inclusion Area Boundaries and Service Area Boundaries is attached hereto as

Exhibit C-2. It is anticipated that the District's boundaries may change from time to time as it undergoes inclusions and exclusions pursuant to Section 32-1-401, *et seq.*, C.R.S., and Section 32-1-501, *et seq.*, C.R.S., subject to the limitations set forth in Article V below.

IV. PROPOSED LAND USE/POPULATION PROJECTIONS/ASSESSED VALUATION

The Service Area consists of approximately 357.5 acres of residential land, commercial land and open space/parks. Pursuant to the Financial Plan, the current assessed valuation of the Service Area as of 2016 is assumed to be Six Thousand Four Hundred Twenty-Five Dollars (\$6,425.00) and, at build out, is expected to be sufficient to reasonably discharge the Debt under the Financial Plan. The total population of the District (including the population of District No. ___ and District No. ___) at build-out is estimated to be approximately 3,412 people.

Approval of this Service Plan by the Town does not imply approval of the development of a specific area within the District, nor does it imply approval of the number of residential units or the total site/floor area of commercial or industrial buildings identified in this Service Plan or any of the exhibits attached thereto, unless the same is contained within an Approved Development Plan.

V. DESCRIPTION OF PROPOSED POWERS, IMPROVEMENTS AND SERVICES

The following paragraphs provide a description of the proposed services to be provided by the District.

A. Types of Improvements. The District plans to provide for the design, acquisition, construction, installation and financing of certain water, sanitation, street, safety protection, park and recreation, transportation, television relay and translator and mosquito control improvements and services within and without the Service Area. The Public Improvements will benefit all of the property within the District. A general description of each type of improvement and service to be provided by the District follows this paragraph, and **Exhibit D** lists the Public Improvements proposed to be provided for the property within the Service Area and estimated costs of such Public Improvements. The Public Improvements generally depicted and described on **Exhibit D** have been presented for illustration only. The exact design, subphasing of construction and location of the Public Improvements will be determined to serve parcels within the District at the time of the submittal of an Approved Development Plan for such parcels within the property by the Municipality and if approved by the Municipality shall not be considered to be a material modification of this Service Plan.

1. Sanitation. The Mount Carbon Metropolitan District has contracted to provide sanitary sewer service to the District pursuant to the Mount Carbon/Town Water and Sewer IGA. Mount Carbon Metropolitan District has consented to the overlap of the District. The District shall have the power to provide for the design, acquisition, construction, financing, completion, and installation of a local sanitary sewage collection and transmission system which may include, but shall not be limited to, collection mains and laterals, lift stations, and transmission lines, and all necessary, incidental, and appurtenant facilities, land and easements,

together with extensions of and improvements to said system within and without the District's Service Area. The District may provide for sanitary sewage collection and transmission through the purchase of capacity in existing collection mains and transmission lines. It is agreed that all sanitation improvements shall be conveyed to and accepted by either Mount Carbon Metropolitan District, or, in the event Mount Carbon Metropolitan District cannot or will not accept the sanitation improvements, then to the Town directly, unless otherwise agreed to in a written amendment to the Mount Carbon/Town Water and Sewer IGA. The approval of this Service Plan by the Town does not in any way amend the Mount Carbon/Town Water and Sewer IGA.

2. Water. The Mount Carbon Metropolitan District has contracted to provide water service to the District pursuant to the Mount Carbon/Town Water and Sewer IGA. The Mount Carbon Metropolitan District has consented to the overlap of the District. The District shall have the power to provide for the design, acquisition, construction, financing, completion, and installation of a complete potable and non-potable local water, transmission, and distribution system, which may include, but shall not be limited to, transmission lines, distribution mains, pressure reducing stations, irrigation facilities, storage facilities, water supply, water rights, land and easements, and all necessary, incidental, and appurtenant facilities, together with extensions of and improvements to said system within and without the Service Area. It is agreed that all water improvements shall be conveyed to and accepted by either Mount Carbon Metropolitan District, or, in the event Mount Carbon Metropolitan District cannot or will not accept the water improvements, then to the Town directly, unless otherwise agreed to in a written amendment to the Mount Carbon/Town Water and Sewer IGA. . The approval of this Service Plan by the Town does not in any way amend the Mount Carbon/Town Water and Sewer IGA.

3. Storm Drainage. The District shall have the power to provide for the design, acquisition, construction, financing, completion, and installation of storm sewer, flood and surface drainage facilities and systems, including detention/retention ponds and associated irrigation facilities, underdrain systems and all necessary, incidental, and appurtenant facilities, land and easements, together with extensions of and improvements to said system within and without the District's Service Area. It is agreed that storm drainage improvements not conveyed to and accepted by the Town pursuant to an Approved Development Plan with the Town for properties within the Town, and not conveyed to and accepted by the City pursuant to an Approved Development Plan for properties within the City, shall either be conveyed to and accepted by an owners association, or shall be owned and maintained by the District.

4. Streets. The District shall have the power to provide for the design, acquisition, construction, financing, completion, and installation of street improvements, including curbs, gutters, culverts, and other drainage facilities, acceleration and deceleration lanes, sidewalks, bike paths and pedestrian ways, median islands, paving, lighting, parking facilities, grading, landscaping and irrigation, together with all necessary, incidental, and appurtenant facilities, land and easements, together with extensions of and improvements to said facilities within and without the Service Area. It is agreed that street improvements not conveyed to and accepted by the Town pursuant to an Approved Development Plan with the Town for properties within the Town, and not conveyed to and accepted by the City pursuant to an Approved Development Plan for properties within the City, shall either be conveyed to and accepted by an owners association, or shall be owned and maintained by the District.

5. Safety Protection. The District shall have the power to provide for the design, acquisition, construction, financing, completion, and installation of facilities and/or services for a system of traffic and safety controls and devices on streets and highways and at railroad crossings, including, but not limited to, signalization, signing and striping, together with all necessary, incidental, and appurtenant facilities, land and easements, together with extensions of and improvements to said facilities within and without the Service Area. It is agreed that safety improvements not conveyed to and accepted by the Town pursuant to an Approved Development Plan with the Town for properties within the Town, and not conveyed to and accepted by the City pursuant to an Approved Development Plan for properties within the City, shall either be conveyed to and accepted by an owners association, or shall be owned and maintained by the District.

6. Park and Recreation. The District shall have the power to provide for the design, acquisition, construction, financing, completion, and installation of parks and recreational facilities and programs, including, but not limited to, parks, bike paths and pedestrian ways, open space, landscaping, cultural activities, water bodies, irrigation facilities, and other active and passive recreational facilities and programs, and all necessary, incidental and appurtenant facilities, land and easements, together with extensions of and improvements to said facilities within and without the Service Area. It is agreed that park and recreation improvements not conveyed to and accepted by the Town pursuant to an Approved Development Plan with the Town for properties within the Town, and not conveyed to and accepted by the City pursuant to an Approved Development Plan for properties within the City, shall either be conveyed to and accepted by an owners association, or shall be owned and maintained by the District.

7. Transportation. The District shall have the power to provide for the design, acquisition, construction, financing, completion, and installation of a system to transport the public by bus, rail, or any other means of conveyance, or combination thereof, or pursuant to contract, including park and ride facilities and parking facilities, structures and facilities; together with all necessary, incidental and appurtenant facilities, land and easements, and all necessary extensions of and improvements to said facilities or systems within and without the Service Area. It is agreed that transportation improvements not conveyed to and accepted by the Town pursuant to an Approved Development Plan with the Town for properties within the Town, and not conveyed to and accepted by the City pursuant to an Approved Development Plan for properties within the City, shall either be conveyed to and accepted by an owners association, or shall be owned and maintained by the District.

8. Mosquito Control. The District shall have the power to provide for the eradication and control of mosquitoes, including, but not limited to, elimination or treatment of breeding grounds and purchase, lease, contracting or other use of equipment or supplies for mosquito control within and without the District's boundaries. It is agreed that mosquito control improvements shall be maintained by an owner's association or the District.

9. Covenant Enforcement. In accordance with Section 32-1-1004(8), C.R.S., the District shall have the power to provide covenant enforcement and design review services within the Project if the District and the governing body of a master association or similar body contract for such services, or if the declaration, rules and regulations, or any similar document

containing the covenants to be enforced for the area within the District name the District as the enforcement or design review entity. The District shall have the power to provide covenant enforcement and design review services only if revenues used to provide such services are derived from the area in which the service is furnished.

10. Other Powers. In addition to the enumerated powers, the Board shall also have the following authority:

(a) Plan Modifications. To modify the Service Plan as needed, subject to the statutory procedures set forth in Section 32-1-207, C.R.S.

(b) Phasing, Deferral. Without modifying this Service Plan, to defer, forego, reschedule, or restructure the financing and construction of Public Improvements, to better accommodate the pace of growth, resource availability, and potential inclusions of property within the District.

(c) Additional Services. Except as specifically provided herein, to provide such additional services and exercise such powers as are expressly or impliedly granted to special districts by Colorado law.

11. Standards of Construction/Statement of Compatibility.

The sanitary sewer treatment and/or collection facilities will be designed, constructed and maintained in accordance with the standards of the Mount Carbon Metropolitan District, the Colorado Department of Public Health and Environment, the Municipality, and other applicable local, state or federal rules and regulations.

The water facilities will be constructed and maintained in accordance with the standards of the Mount Carbon Metropolitan District, and the Municipality, the Colorado Department of Public Health and Environment or other jurisdictions, as appropriate.

All streets and safety protection facilities will be constructed in accordance with the standards and specifications of the Municipality.

All storm drainage facilities will be constructed in accordance with the standards and specifications of the Municipality, the Urban Drainage and Flood Control District and other local jurisdictions, as appropriate.

All parks and recreational facilities will be constructed in accordance with engineering and design requirements appropriate for the surrounding terrain, and shall be compatible with standards of the Municipality.

All transportation facilities will be provided in accordance with the standards and specifications of the Municipality or other local jurisdictions, as appropriate.

All mosquito control activities and/or programs will be provided in accordance with the standards and specifications of the Colorado Department of Public Health and Environment, the Municipality and other applicable local, state and federal regulations.

B. Development Standards. The District will ensure that the Public Improvements are designed and constructed in accordance with the standards and specifications of the Municipality, the applicable Approved Development Plan, and of other governmental entities having proper jurisdiction, as applicable. The District, directly or indirectly through the Developer, will obtain the Municipality's approval of civil engineering plans and will obtain applicable permits for construction and installation of Public Improvements prior to performing such work for work to be performed in the Municipality.

C. Privately Placed Debt Limitation. Prior to the issuance of any privately placed Debt, the District shall obtain the certification of an External Financial Advisor substantially as follows:

We are [I am] an External Financial Advisor within the meaning of the District's Service Plan.

We [I] certify that (1) the net effective interest rate (calculated as defined in Section 32-1-103(12), C.R.S.) to be borne by [insert the designation of the Debt] does not exceed a reasonable current [tax-exempt] [taxable] interest rate, using criteria deemed appropriate by us [me] and based upon our [my] analysis of comparable high yield securities; and (2) the structure of [insert designation of the Debt], including maturities and early redemption provisions, is reasonable considering the financial circumstances of the District.

D. Monies from Other Governmental Sources. The District shall not apply for or accept Conservation Trust Funds, Great Outdoors Colorado Funds, or other funds available from or through governmental or non-profit entities for which the Municipality is eligible to apply for, except pursuant to an intergovernmental agreement with the Municipality. This Section shall not apply to specific ownership taxes which shall be distributed to and be a revenue source for the District without any limitation.

E. Consolidation Limitation. The District shall not file a request with any Court to consolidate with another Title 32 district without the prior written consent of the Municipality, unless such consolidation is with RRC Metropolitan District Nos. 2 or 3.

F. Inclusion Limitation. The District shall have the authority to include within its boundaries any property within the Service Area without the prior written consent of the Town so long as the property to be included is located within the Town and the property within the including District is all within the Town. The District shall have the authority to include within its boundaries any property within the Service Area without the prior written consent of the City so long as the property to be included is located within the City and the property within the including District is all within the City. An including District shall not include within its boundaries any property outside the Service Area without the prior written consent of the Town if the property to be included is within the Town. An including District shall not include within its boundaries any property outside the Service Area without the prior written consent of the City if the property to be included is within the City. Without the prior written consent of the Town,

none of the Districts shall have the authority to include any property in the Service Area until the Disconnection of all the Residential Property from the Town.

G. Fee Limitation. Each of the Districts may impose and collect Fees as a source of revenue for payment for operations and maintenance. Each of the Districts may impose and collect Fees as a source of revenue for repayment of debt and capital costs which Fees may only be imposed prior to the issuance of a Certificate of Occupancy. No recurring or non-recurring Fee related to repayment of debt shall be authorized to be imposed upon or collected from Taxable Property owned or occupied by an End User subsequent to the issuance of a Certificate of Occupancy for said Taxable Property. Notwithstanding any of the foregoing, the restrictions in this definition shall not apply to any Fee imposed upon or collected from Taxable Property for the purpose of funding operation and maintenance costs of the Districts. In no event shall the District receive or spend revenue derived from a PIF without the prior written approval of the Town.

H. Service Plan Amendment Requirement. This Service Plan has been designed with sufficient flexibility to enable the District to provide required services and facilities under evolving circumstances without the need for numerous amendments. Modification of the general types of services and facilities that constitute the Public Improvements and changes in proposed configurations, locations or dimensions of the Public Improvements shall be permitted to accommodate development needs consistent with any Approved Development Plan for the Project. The District shall be an independent unit of local government and is separate and distinct from the Town and the City. Its activities are subject to review only insofar as they may deviate in a material manner from the requirements of the Service Plan. For the Districts with property entirely within the Town, any action of the District which (i) violates the limitations set forth in this Service Plan, or (ii) constitutes a failure to finance or commence construction of any Public Improvements that benefit any property within the Town within sixty (60) months of the Disconnection of the Residential Property, shall be deemed to be a material modification unless otherwise agreed to by the Town or otherwise expressly provided herein. For the Districts with property entirely within the City, any action of the District which violates the limitations set forth in this Service Plan shall be deemed to be a material modification unless otherwise agreed to by the City or otherwise expressly provided herein. Any of the Districts may have a Service Plan Amendment approved by the Municipality without the need for the consent of the other Districts and without that event triggering the need for the other Districts to amend their respective Service Plans.

I. Total Debt Issuance Limitation. The District shall not issue Debt in excess of the Total Debt Issuance Limit; provided, however, any refunding Debt shall not count against the Total Debt Issuance Limit. Any Debt, issued with a pledge or which results in a pledge, that exceeds the Maximum Debt Mill Levy shall be deemed a material modification of this Service Plan pursuant to Section 32-1-207, C.R.S., and shall not be an authorized issuance of Debt unless and until such material modification has been approved as part of a Service Plan Amendment.

J. Preliminary Development Plan. The District shall have the authority to provide for the planning, design, acquisition, construction, installation, relocation, redevelopment, maintenance, and financing of the Public Improvements within and without the boundaries of the District, as the same are more specifically defined in an applicable Approved Development Plan.

The Public Improvements will be designed in such a way as to ensure that the Public Improvements standards will be consistent with or exceed the standards of the Town or the City, as appropriate, and shall be in accordance with the requirements of an Approved Development Plan. All descriptions of the Public Improvements to be constructed, and their related costs, are estimates only and are subject to modification as engineer development plans, economics, the Municipality requirements, and construction scheduling may require.

K. Multiple District Structure. It is anticipated that the Districts, collectively, will undertake the financing and construction of the Public Improvements. The nature of the functions and services to be provided by each District shall be clarified in an intergovernmental agreement between and among the Districts. All such agreements will be designed to help assure the orderly development of the Public Improvements and essential services in accordance with the requirements of this Service Plan. Implementation of such intergovernmental agreements is essential to the orderly implementation of this Service Plan. Accordingly, any determination of any Board to set aside said intergovernmental agreements without the consent of all parties to such intergovernmental agreements shall be a material modification of the Service Plan. Said intergovernmental agreement may be amended by mutual agreement of the Districts without the need to amend this Service Plan.

VI. FINANCIAL PLAN

A. General. The District shall be authorized to provide for the planning, design, acquisition, construction, installation, relocation and/or redevelopment of the Public Improvements from its revenues and by and through the proceeds of Debt to be issued by the District. The Financial Plan for the District shall be to issue such Debt as the District can reasonably pay from revenues derived from the Maximum Debt Mill Levy, Fees and other legally available revenues. The total Debt that the District shall be permitted to issue shall not exceed the Total Debt Issuance Limit and shall be permitted to be issued on a schedule and in such year or years as the District determines shall meet the needs of the Financial Plan referenced above and phased to serve development as it occurs. All bonds and other Debt issued by the District may be payable from any and all legally available revenues of the District, including general ad valorem taxes to be imposed upon all Taxable Property of the District (and associated specific ownership tax revenues) and Fees. The District will also rely upon various other revenue sources authorized by law. These will include the power to assess Fees, rates, tolls, penalties, or charges as provided in Section 32-1-1001(1), C.R.S., as amended from time to time, within the limitations set forth in Section V this Service Plan.

Prior to the issuance of Debt, it is anticipated that the Developer may advance funds to the District to pay the organizational costs of the District and costs for constructing and installing Public Improvements. The District shall be authorized to reimburse such Developer advances with interest from Debt proceeds or other legally available revenues.

B. Maximum Voted Interest Rate and Maximum Underwriting Discount. The interest rate on any Debt is expected to be the market rate at the time the Debt is issued. In the event of a default, the proposed maximum interest rate on any Debt shall not exceed eighteen percent (18%). The proposed maximum underwriting discount will be five percent (5%). Debt,

when issued, will comply with all relevant requirements of this Service Plan, State law and Federal law as then applicable to the issuance of public securities.

C. Maximum Debt Mill Levy. The “Maximum Debt Mill Levy” shall be the maximum mill levy the District is permitted to impose upon the Taxable Property of the District for payment of Debt, and shall be determined as follows:

1. For the portion of any aggregate District’s Debt which exceeds fifty percent (50%) of the District’s assessed valuation, the Maximum Debt Mill Levy for such portion of Debt shall be fifty (50) mills less the number of mills necessary to pay unlimited mill levy Debt described in Section VI.C.2 below; provided that if, on or after January 1, 2017, there are changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut or abatement, the mill levy limitation applicable to such Debt may be increased or decreased to reflect such changes, such increases or decreases to be determined by the Board in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted for changes occurring after January 1, 2017, are neither diminished nor enhanced as a result of such changes. For purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation. For the portion of any aggregate District’s Debt which is equal to or less than fifty percent (50%) of the District’s assessed valuation, either on the date of issuance or at any time thereafter, the mill levy to be imposed to repay such portion of Debt shall not be subject to the Maximum Debt Mill Levy and, as a result, the mill levy may be such amount as is necessary to pay the debt service on such Debt, without limitation of rate.

3. For purposes of the foregoing, once Debt has been determined to be within Section VI.C.2 above, so that the District is entitled to pledge to its payment an unlimited ad valorem mill levy, the District may provide that such Debt shall remain secured by such unlimited mill levy, notwithstanding any subsequent change in the District’s Debt to assessed ratio. All Debt issued by the District must be issued in compliance with the requirements of Section 32-1-1101, C.R.S. and all other requirements of State law. To the extent that the District is composed of or subsequently organized into one or more subdistricts as permitted under Section 32-1-1101, C.R.S., the term “District” as used herein shall be deemed to refer to the District and to each such subdistrict separately, so that each of the subdistricts shall be treated as a separate, independent district for purposes of the application of this definition.

D. Debt Repayment Sources. The District may impose a mill levy on taxable property within its boundaries as a primary source of revenue for repayment of debt service and for operations and maintenance. The District may also rely upon various other revenue sources authorized by law. At the District’s discretion, these may include the power to assess Fees, rates, tolls, penalties, or charges as provided in Section 32-1-1001(1), C.R.S., as amended from time to time and as limited by Section V.G. In no event shall the debt service mill levy of the District exceed the Maximum Debt Mill Levy, except as provided in Section VI.C.2 above.

E. Security for Debt. The District shall not have the authority and shall not pledge any revenue or property of the Town as security for the indebtedness set forth in this Service Plan. Approval of this Service Plan shall not be construed as a guarantee by the Town of payment of any of the District’s obligations; nor shall anything in the Service Plan be construed

so as to create any responsibility or liability on the part of the Town in the event of default by the District in the payment of any such obligation. The Municipality shall, under no circumstances, be responsible for the Debt of the District, and the Town's approval of this Service Plan shall in no way be interpreted as an agreement, whether tacit or otherwise, to be financially responsible for the Debt of the District or the construction of Public Improvements.

F. TABOR Compliance. The District will comply with the provisions of TABOR. The District may only set up other qualifying entities to manage, fund, construct and operate facilities, services, and programs after receiving the prior written approval of the Municipality, as applicable. To the extent allowed by law, any entity created by the District will remain under the control of the Board.

G. District's Operating Costs. The estimated cost of acquiring land, engineering services, legal services and administrative services, together with the estimated costs of the District's organization and initial operations, are anticipated to be Three Hundred Thousand Dollars (\$300,000.00), which will be eligible for reimbursement from Debt proceeds.

In addition to the capital costs of the Public Improvements, the District will require operating funds for administration and to plan and cause the Public Improvements to be constructed and maintained. The first year's operating budget is estimated to be Fifty Thousand Dollars (\$50,000.00) which is anticipated to be derived from property taxes and other revenues.

The Maximum Debt Mill Levy for the repayment of Debt shall not apply to the District's ability to increase its mill levy as necessary for administration expenses and for provision of administration and operation and maintenance services to its taxpayers and service users. It is anticipated that the Developer will advance funds to the District to pay its operating costs until such time as the District has sufficient revenue from its operation and maintenance mill levy. The District shall be authorized to reimburse the Developer for such advances with interest. The "Maximum Operating Mill Levy" shall be a mill levy for administrative expenses and for operations and maintenance in an amount to not exceed sixty (60) mills prior to the imposition of a Debt mill levy, and upon imposition of a Debt mill levy, no more than ten (10) mills, provided that if, on or after January 1, 2017, there are changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut or abatement, the mill levy limitation applicable for administrative, operations and maintenance expense may be increased or decreased to reflect such changes, such increases or decreases to be determined by the Board in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted for changes occurring after January 1, 2017, are neither diminished nor enhanced as a result of such changes. For purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation. With the written consent of the Municipality the amount of the Maximum Operating Mill Levy may be increased without a Service Plan Amendment.

H. Debt Instrument Disclosure Requirement. In the text of each Bond and any other instrument representing and constituting Debt, the District shall set forth a statement in substantially the following form:

By acceptance of this instrument, the owner of this Bond agrees and consents to all of the limitations in respect of the payment of the principal of and interest on this Bond contained herein, in the resolution of the District authorizing the issuance of this Bond and in the Service Plan for creation of the District.

Similar language describing the limitations in respect of the payment of the principal of and interest on Debt set forth in this Service Plan shall be included in any document used for the offering of the Debt for sale to persons, including, but not limited to, a developer of property within the boundaries of the District.

I. No Debt Until Disconnection. No debt shall be issued by the District unless and until the effective date of Disconnection of the entirety of the Residential Property (as further set forth in Section VIII below).

VII. ANNUAL REPORT

A. General. The District shall be responsible for submitting an annual report to the Town Clerk no later than September 1 of each year for the year ending the preceding December 31. The Town may, in its sole discretion, waive this requirement in whole or in part.

B. Reporting of Significant Events. Unless waived by the Town, the annual report shall include the following:

1. A narrative summary of the progress of the District in implementing its service plan for the report year;

2. Except when exemption from audit has been granted for the report year under the Local Government Audit Law, the audited financial statements of the District for the report year, including a statement of financial condition (i.e., balance sheet) as of December 31 of the report year and the statement of operations (i.e., revenues and expenditures) for the report year; Unless disclosed within a separate schedule to the financial statements, a summary of the capital expenditures incurred by the District in the development of Public Improvements in the report year;

4. Unless disclosed within a separate schedule to the financial statements, a summary of the financial obligations of the District at the end of the report year, including the amount of outstanding indebtedness, the amount and terms of any new District indebtedness or long-term obligations issued in the report year, the amount of payment or retirement of existing indebtedness of the District in the report year, the total assessed valuation of all taxable properties within the District as of January 1 of the report year and the current mill levy of the District pledged to debt retirement in the report year; and

5. Any other information deemed relevant by the Town Board.

C. Required Filings.

1. Notices and Agendas for every Board meeting shall be filed with the Municipality at least seventy-two (72) hours prior to the date of the meeting, until such time as this filing required is terminated in writing by the Municipality.

2. Minutes for every Board meeting shall be filed with the Municipality within thirty (30) days of approval by the Board, until such time as this filing requirement is terminated in writing by the Municipality.

3. Copies of all Intergovernmental Agreements, service agreements with parties related to the Developer, and agreements between the District and the Developer or its successors or assigns for reimbursement of funds advanced to the District, or on behalf of the District, shall be filed with the Municipality within thirty (30) days of approval of the Board, until such time as this filing requirement is terminated in writing by the Municipality.

VIII. DISSOLUTION

A. Dissolution Upon Completion of District Purposes. Upon an independent determination of the Municipality that the purposes for which the District was created have been accomplished, the District agrees to file a petition in the appropriate District Court for dissolution, pursuant to the applicable State statutes. In no event shall dissolution occur until the District has provided for the payment or discharge of all of its outstanding indebtedness and other financial obligations as required pursuant to State statutes. Dissolution shall be specifically conditioned upon the Municipality's approval of conveyance of any District owned facilities to entities other than the Municipality. In no event shall the dissolution of a District occur until such District has provided for the payment or discharge of all its outstanding debt and other financial obligations as required pursuant to State Statutes.

B. Dissolution For Failure of Disconnection. Notwithstanding anything to the contrary in Subsection VIII.A above, in the event the Disconnection has not occurred within the first twelve (12) months following the date this Service Plan is approved, the District agrees to file petitions in the appropriate District Court for dissolution, pursuant to the applicable State statutes. Notwithstanding the foregoing, the Town may, in its sole discretion, provide written consent to extend this twelve (12) month period and such consent and extension shall not require a Service Plan Amendment. The Town's approval of any Disconnection shall be deemed to have satisfied this condition. In the event the District fails or refuses to file the petitions for dissolution as and when required by the occurrence of the conditions set forth in this Subsection VIII.B, the Town is authorized to do so and the District hereby consents to the Town's filing such petitions on its behalf. Further, the District agrees to join in and pursue the filing of such petitions until the entry of all final, unappealable orders for dissolution, including the successful resolution of any appeals, all at the sole expense of the District.

IX. PROPOSED INTERGOVERNMENTAL AGREEMENTS AND EXTRA-TERRITORIAL SERVICE AGREEMENTS

All intergovernmental agreements must be for the purposes, facilities, services or agreements lawfully authorized to be provided by the District, pursuant to the State Constitution, Article XIV, Section 18(2)(a) and Sections 29-1-201, *et seq.*, C.R.S. To the extent practicable, the District may enter into additional intergovernmental and private agreements to better ensure long-term provisions of the Public Improvements or for other lawful purposes of the District as necessary to carry out an Approved Development Plan. Agreements may also be executed with property owner associations and other service providers.

Execution of intergovernmental agreements or agreements for extraterritorial services by the District that are not described in this Service Plan will require the prior approval of the Town Board.

X. CONCLUSION

It is submitted that this Service Plan for the District, as required by Section 32-1-203(2), C.R.S., establishes that:

1. There is sufficient existing and projected need for organized service in the area to be serviced by the District.
2. The existing service in the area to be served by the District is inadequate for present and projected needs.
3. The District is capable of providing economical and sufficient service to the area within its proposed boundaries.
4. The area to be included in the District has, or will have, the financial ability to discharge the proposed indebtedness on a reasonable basis.
5. Adequate service is not, and will not be, available to the area through the Town or county or other existing municipal or quasi-municipal corporations, including existing special districts, within a reasonable time and on a comparable basis.
6. The facility and service standards of the District are compatible with the facility and service standards of the Town within which the special district is to be located and each municipality which is an interested party under Section 32-1-204(1), C.R.S.
7. The proposal is in compliance with any duly adopted Town, regional or state long-range water quality management plan for the area.
8. The creation of the District is in the best interests of the area proposed to be served.

COMMENCING AT THE WEST 1/4 CORNER OF SECTION 36, TOWNSHIP 4 SOUTH, RANGE 70 WEST OF THE 6TH PRINCIPAL MERIDIAN, WHENCE THE EAST 1/4 CORNER OF SAID SECTION 36 BEARS

N89°09'32"E, 5351.68 FEET ALONG THE EAST—WEST 1/4 LINE OF SAID SECTION 36; THENCE N86°26'56"E, A DISTANCE OF 629.18 FEET TO THE POINT OF BEGINNING; THENCE N26°05'07"W, 33.12 FEET; THENCE N89°10'28"E, 33.17 FEET; THENCE S26°05'07"E, 26.83 FEET; THENCE S44°44'26"E, 7.89 FEET; THENCE S89°09'43"W, 35.96 FEET TO THE POINT OF BEGINNING,

BASIS OF BEARINGS: BEARINGS ARE BASED ON THE EAST—WEST 1/4 LINE OF SECTION 36, TOWNSHIP 4 SOUTH, RANGE 70 WEST OF THE 6TH PRINCIPAL MERIDIAN BEARING N89°09'32"E AND IS MONUMENTED AT THE WEST END AT THE WEST 1/4 CORNER OF SECTION 36 BY A 3 1/4" ALUMINUM CAP STAMPED PLS#10586 AND AT THE EAST END AT THE EAST 1/4 CORNER OF SECTION 36 BY A 3 1/4" BRASS CAP ON AN ALUMINUM ROD STAMPED LS 19591.

**NOTE: SAID LEGAL DESCRIPTION WAS PREPARED BY NATHAN A. VANRAEMDONCK
P.L.S. #38098
FOR AND ON BEHALF OF SURVEYING AND MAPPING, LLC**

PARCEL I:

A PARCEL OF LAND IN THE NORTH 1/2 OF SECTION 36, TOWNSHIP 4 SOUTH, RANGE 70 WEST OF THE 6TH PRINCIPAL MERIDIAN, TOWN OF MORRISON, COUNTY OF JEFFERSON, STATE OF COLORADO, BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS:

COMMENCING AT THE NORTHWEST CORNER OF THE SOUTHEAST 1/4 OF THE NORTHWEST 1/4 OF SECTION 36, TOWNSHIP 4 SOUTH, RANGE 70 WEST OF THE 6TH PRINCIPAL MERIDIAN, SAID POINT BEING THE NORTHWESTERLY CORNER OF BLOCK 7 OF RED ROCKS CENTRE, ACCORDING TO THE PLAT THEREOF AS RECORDED AT RECEPTION NUMBER 85016479 IN THE JEFFERSON COUNTY CLERK AND RECORDER'S OFFICE, WHENCE A POINT ON THE NORTH LINE OF SAID BLOCK 7 BEARS N89°16'42"E, 2064.67 FEET ALONG SAID NORTH LINE; THENCE N89°16'42"E, ALONG SAID NORTH LINE 1698.06 FEET TO THE POINT OF BEGINNING;

THENCE N37°02'00"W, 1638.10 FEET; THENCE N89°18'22"E, 185.27 FEET; THENCE S37°02'00"E, 1637.99 FEET TO SAID NORTH LINE THENCE S89°16'42"W, 185.20 FEET ALONG SAID NORTH LINE TO THE POINT OF BEGINNING.

BASIS OF BEARINGS: BEARINGS ARE BASED ON THE NORTH LINE OF BLOCK 7 OF RED ROCKS CENTRE, ACCORDING TO THE PLAT THEREOF AS RECORDED AT RECEPTION NUMBER 85015479 IN THE JEFFERSON COUNTY CLERK AND RECORDER'S OFFICE, BEARING N89°16'42"E AND IS MONUMENTED AT THE WEST END AT THE NORTHWEST CORNER OF BLOCK 7 BY A 1 ½" ALUMINUM CAP AND AT THE EAST END AT A DEFLECTION IN SAID NORTH LINE BY A REBAR WITH YELLOW PLASTIC CAP STAMPED CLC PLS 38311.1.

NOTE: SAID LEGAL DESCRIPTION WAS PREPARED BY NATHAN A. VANRAEMDONCK P.L.S. #38098 FOR AND ON BEHALF OF SURVEYING AND MAPPING, LLC

PARCEL J:

LOT 12, BLOCK 8 AND LOTS 6 AND 10, BLOCK 1, RED ROCKS CENTRE, COUNTY OF JEFFERSON, STATE OF COLORADO.

PARCEL K:

LOTS 8, 9, 10 AND 13, BLOCK 8, RED ROCKS CENTRE, COUNTY OF JEFFERSON, STATE OF COLORADO.

PARCEL L:

LOT 6, BLOCK 6, RED ROCKS CENTRE, COUNTY OF JEFFERSON, STATE OF COLORADO.

PARCEL M:

LOTS 1, 2 AND 3, BLOCK 8, RED ROCKS CENTRE, COUNTY OF JEFFERSON, STATE OF COLORADO.

PARCEL N:

A PORTION OF THE WEST 1/2 OF THE SOUTHWEST 1/4 OF SECTION 36, TOWNSHIP 4 SOUTH, RANGE 70 WEST OF THE 6TH PRINCIPAL MERIDIAN, COUNTY OF JEFFERSON, STATE OF COLORADO, MORE PARTICULARLY DESCRIBED AS FOLLOWS:

BEGINNING AT THE WEST 1/4 CORNER OF SAID SECTION 36, THENCE NORTH 89 DEGREES 10 MINUTES 51 SECONDS EAST ALONG THE NORTH LINE OF THE SOUTHWEST 1/4 OF SAID SECTION 36 A DISTANCE OF 578.48 FEET TO THE TRUE POINT OF BEGINNING;
THENCE NORTH 89 DEGREES 10 MINUTES 51 SECONDS EAST A DISTANCE OF 96.91 FEET TO A NON-TANGENT POINT ON A CURVE;

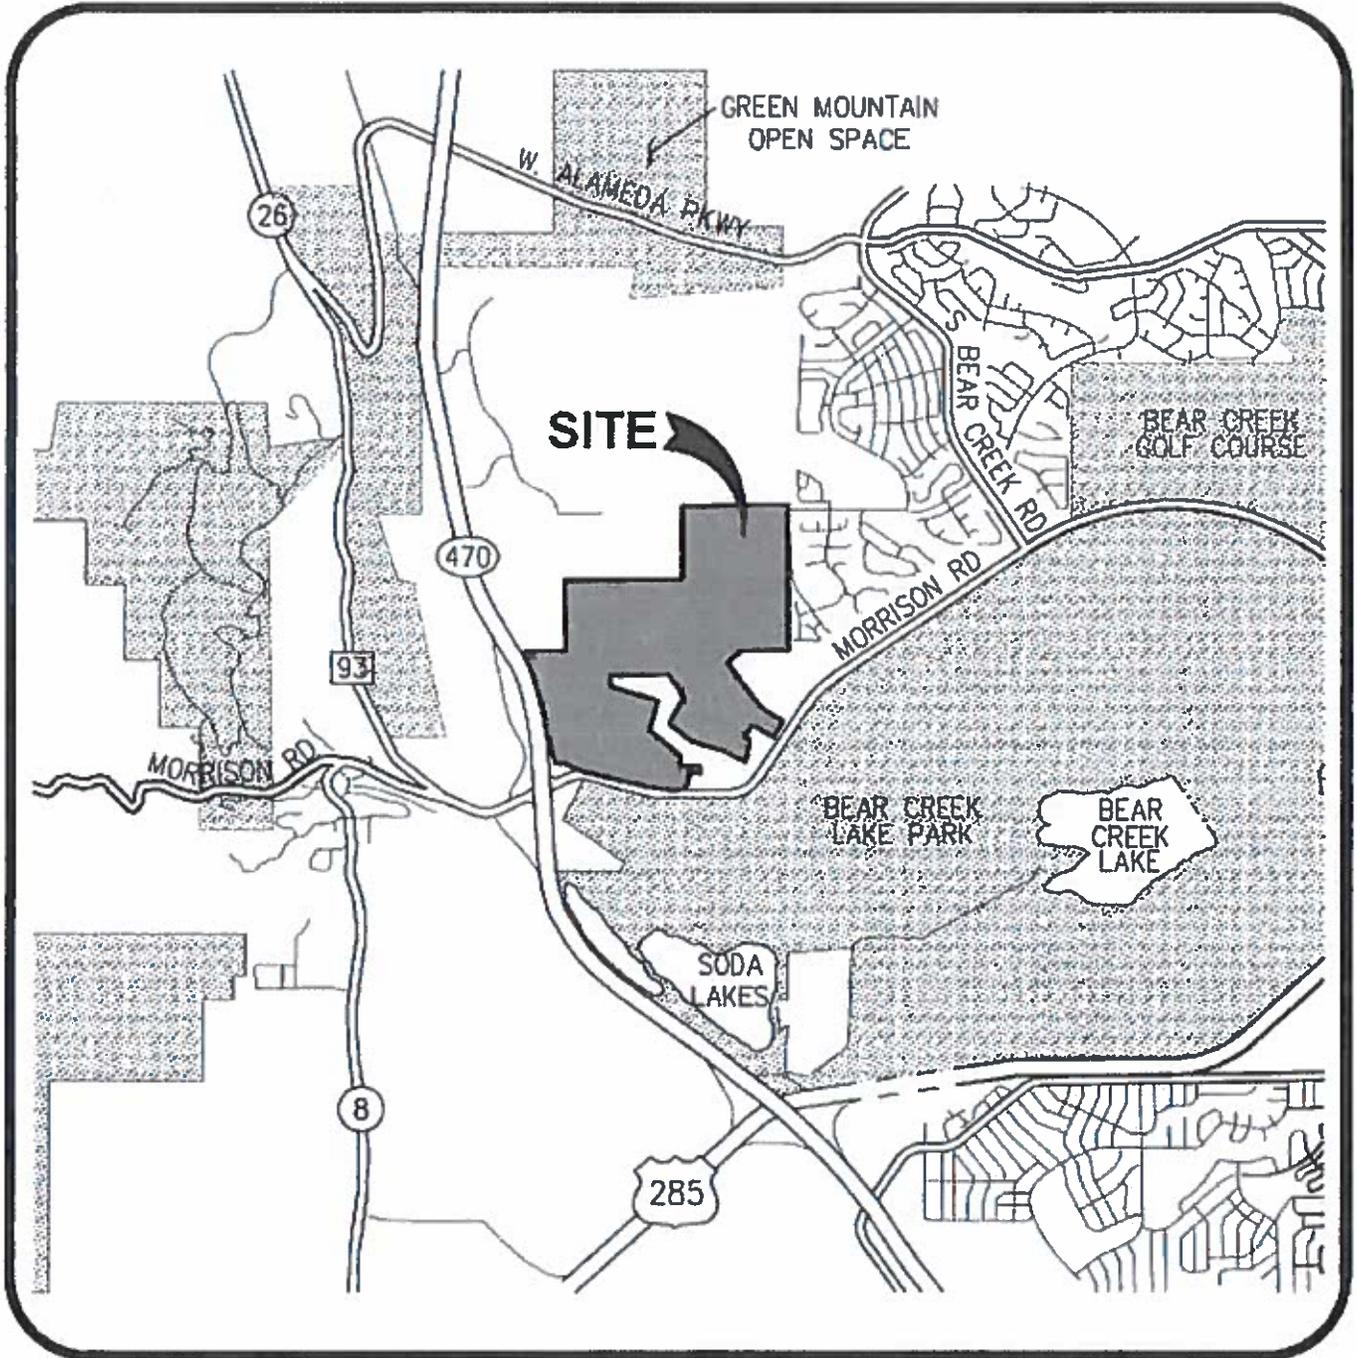

THENCE ALONG A CURVE TO THE RIGHT AN ARC DISTANCE OF 80.01 FEET, A RADIUS OF 4,651.16 FEET A CHORD DISTANCE OF 80.00 FEET TO A POINT;

THENCE NORTH 89 DEGREES 10 MINUTES 51 SECONDS EAST A DISTANCE OF 42.27 FEET;
THENCE NORTH 00 DEGREES 49 MINUTES 09 SECONDS EAST A DISTANCE OF 73.00 FEET TO A POINT ON THE NORTH LINE OF THE SOUTHWEST 1/4 OF SAID SECTION 36;
THENCE NORTH 89 DEGREES 10 MINUTES 51 SECONDS EAST A DISTANCE OF 587.35 FEET;
THENCE SOUTH 00 DEGREES 57 MINUTES 20 SECONDS EAST A DISTANCE OF 1988.17 FEET;
THENCE NORTH 87 DEGREES 28 MINUTES 16 SECONDS WEST A DISTANCE OF 220.00 FEET TO A POINT ON THE EAST RIGHT OF WAY OF STATE HIGHWAY C-470;
THENCE NORTH 14 DEGREES 53 MINUTES 35 SECONDS WEST, ALONG SAID RIGHT OF WAY, A DISTANCE OF 645.98 FEET TO A POINT ON A NON-TANGENT CURVE;
THENCE 1,410.57 FEET, ALONG THE ARC OF CURVE TO THE LEFT WITH A CENTRAL ANGLE OF 20 DEGREES 15 MINUTES 25 SECONDS AND A RADIUS OF 3,989.72 FEET, TO THE POINT OF BEGINNING,
EXCEPT THAT PORTION CONVEYED IN DEED RECORDED SEPTEMBER 27, 1990 UNDER RECEPTION NO. 90082967.

PARCEL O:

THAT CERTAIN OUTLOT LYING SOUTHWESTERLY OF WEST DARTMOUTH AND SHOWN BETWEEN LOT 7, BLOCK 6 AND LOT 13, BLOCK 8,

TOWN OF MORRISON
BOARD OF TRUSTEE REGULAR MEETING
September 6, 2016
Board Action Form

SUBJECT: Resolution 2016-015, a Resolution Approving the Service Plans for RRC Metropolitan District Nos. 1, 2, & 3.

PORCEDURE: Approval of the Resolution.

TOWN ATTORNEY REVIEW Yes No

MOTION: Motion to adopt Resolution 2016-15, a Resolution Approving the Service Plans for RRC Metropolitan District Nos. 1, 2, & 3.

RESOLUTION NO. 2016-15
SERIES 2016

BOARD OF TRUSTEES OF THE
TOWN OF MORRISON, COLORADO

A RESOLUTION APPROVING THE SERVICE PLANS FOR
RRC METROPOLITAN DISTRICT NOS. 1, 2 AND 3

(a) Pursuant to Section 32-1-204.5, C.R.S., as amended, Service Plans (collectively the “Service Plans”) for the proposed RRC Metropolitan District No. 1 (“District No. 1”), RRC Metropolitan District No. 2 (“District No. 2”), and RRC Metropolitan District No. 3 (“District No. 3”), together with District No. 1 and District No. 2, the “Districts”), have been submitted to the Board of Trustees (“Board of Trustees”) of the Town of Morrison, Colorado (the “Town”).

(b) Pursuant to the provisions of Title 32, Article 1, C.R.S., as amended, the Board of Trustees held a public hearing on the Service Plans for the Districts on September 6, 2016.

(c) Notice of the hearing before the Board of Trustees was duly published in the *Columbine Courier*, a newspaper of general circulation within the Town, on August 10, 2016, as required by law, and forwarded to the petitioners, others entitled to postcard or letter notice, the Division of Local Government, and the governing body of each municipality and Title 32 district that has levied an ad valorem tax within the next preceding tax year and that has boundaries within a radius of three (3) miles of the Districts.

(d) The Board of Trustees has considered the Service Plans and all other testimony and evidence presented at the hearing.

(e) The Board of Trustees finds that the Service Plans should be approved on and subject to the terms and conditions contained therein, as permitted by Sections 32-1-203(2) and 32-1-204.5(1)(a), C.R.S., as amended.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE TOWN OF MORRISON, COLORADO:

1. The Board of Trustees hereby determines that all of the requirements of Title 32, Article 1, Part 2, C.R.S., as amended, relating to the filing of the Service Plans for the Districts have been fulfilled and that notice of the hearing was given in the time and manner required by law.

2. The Board of Trustees further determines that all pertinent facts, matters and issues were submitted at the public hearing, that all interested parties were heard or had the opportunity to be heard and that evidence satisfactory to the Board of Trustees of each of the following was presented:

(a) There is sufficient existing and projected need for organized service in the area to be serviced by the proposed Districts;

(b) The existing service in the area to be served by the proposed Districts is inadequate for present and projected needs;

(c) The proposed Districts are capable of providing economical and sufficient service to the area within the proposed boundaries;

(d) The area to be included in the proposed Districts has, or will have, the financial ability to discharge the proposed indebtedness on a reasonable basis;

(e) Adequate service is not, or will not be, available to the area through the Town or other existing quasi-municipal corporations, including existing special districts, within a reasonable time and on a comparable basis;

(f) The facility and service standards of the proposed Districts are compatible with the facility and service standards of the Town and each municipality which is an interested party under Section 32-1-204, C.R.S.;

(g) The proposal is in substantial compliance with a comprehensive plan adopted pursuant to Town code;

(h) The proposal is in compliance with any duly adopted Town, regional, or state long-range water quality management plan for the area;

(i) The creation of the proposed Districts will be in the best interests of the area proposed to be served; and

(j) The Service Plans, based upon the statements set forth in the Service Plans and upon all evidence presented at the Public Hearing on the Service Plans, meets all conditions and requirements of Sections 32-1-201, *et seq.*, C.R.S.

3. The Board of Trustees hereby approves the Service Plans for District No. 1, District No. 2, and District No. 3 as submitted.

4. This Resolution shall be filed in the records of the Town and a copy thereof submitted to the petitioners for the Districts for the purpose of filing in the District Court of Jefferson County.

5. All prior resolutions or any parts thereof, to the extent that they are inconsistent with this Resolution, are hereby rescinded.

TOWN OF MORRISON
BOARD OF TRUSTEE REGULAR MEETING
SEPTEMBER 6, 2016
BOARD ACTION FORM

Subject: The Town of Morrison has received a pre-application for an amendment to the Red Rocks Centre Overall Development Plan. This will be referred to the Rooney Valley Planning Commission (RVPC). The Board needs to appoint three (3) members as their RVPC members.

TOWN ATTORNEY REVIEW Yes No

Motion: Motion to appoint _____, _____, and _____ as regular Planning Commissioners.

Mayor and Board of Trustees:

The Morrison Police Department Report for August, 2016.

1. The annual "Red Rocks Gran Fondo" bicycle ride took place this year in a very orderly, smooth manner with no negative incidents taking place. The event raises money for the Tennyson Center in Denver for abused, neglected and at risk youth.
2. Crimes/calls for service handled by Morrison Police Officers in August, 2016.
 - **Seven Vehicle Accidents Investigated/Reported by Morrison Police Officers:** Hwy 74 @ Red Rocks Park Road – Two vehicle non-injury accident (Vehicle #2 stopped waiting to merge onto Hwy 74 struck from behind by vehicle #1); Hwy 74 @ mm18 – Two vehicle non-injury accident (vehicle #1 merging onto #1 lane struck vehicle @2 traveling the same direction); East Mt Falcon Park parking lot – Hit & Run accident (vehicle struck while left parked on lot for 4 hours); 16283 Morrison Rd (Conoco) – Motorist filling tank alleges a truck pulling out with gas hose still attached whipped out and struck her vehicle (surveillance video did not validate her story); WB C470 @ mm4 – Two vehicle non-injury accident (vehicle #2 slowing down due to heavy traffic was struck on the left rear side by vehicle #1); SB Hwy 285 @ mm247 – Single motorcycle accident with injury (rider lost control, slid across two lanes of traffic and to the shoulder, male to Swedish by ambulance, warrant out of Arapahoe Co. for unpaid tickets); Bear Creek Ave @ Market St – Vehicle/pedestrian injury accident (motorist struck male running across the street after his dog, male transported to Swedish).
 - **No Stolen Vehicles in August:**
 - **Eighteen Motorist Assists:** SB Hwy 285 @ mm246.25 – Motorist (CO OSN-014 – stalled in traffic (moved to shoulder, tow in route); WB C470 @ mm4 – Vehicle (CO 275-YTX) stopped for unknown reason (AAA in route); SB Hwy 285 @ mm247.5 – Vehicle (CO 909-RYE) overheated (waiting for private tow); SB Hwy 285 @ mm246 – Motorist (CO QIO-850) out of gas (friend on way with gas); SB Hwy 285 @ mm248 – Motorist (CO 232-VHL) pulled over to use phone; EB C470 @ Morrison Rd – Changed flat tire for motorist (CO 481-PYN); WB C470 @ mm3 – Motorist (CO 043-OQN) with flat tire on trailer (friend in route); WB C470 @ mm4 – Change flat tire for motorist (CO 234-QPA); WB C470 @ Morrison Rd – No assistance required for motorist (CO 534-QPB, tow in route); WB C470 @ Morrison Rd – Motorist (CO 236-NEF) on phone getting directions (no assistance required); NB Hwy 285 @ Hwy 8 – Motorist (202-XBJ) on shoulder with sick child in vehicle; Bear Creek Ave @ South Park – Vehicle (CO QKC-887) broken down (tow in route); EB C470 @ Hwy 285 – Unoccupied vehicle (CO IQP-957) on side of roadway (checked OK); SB Hwy 285 @ mm247 – Stalled semi on blind curve (started after 36 minute cool down); NB Hwy 285 @ Hwy 8 – Male & female walking on roadway (vehicle broke down, courtesy ride to Conoco); WB C470 @ Morrison Rd – Motorist (CO 912-WRT) with flat tire and no spare (Ace towing in route); 308 Bear Creek Ave (Bradley's Gas Station) – Changed flat tire for female; SB Hwy 285 @ Hwy 8 – Vehicle (CO 649-QTO) moved off roadway (tow in route).

- **One Welfare Check in July:** 222 Spring St – 911 hang up (owner accidentally dialed and hung up, checked OK).
- **Eighteen Citizen/Business Issues/Assistance:** 215 Bear Creek Ave (Tony Rigatoni's) – Fall victim to St Anthony's by WMF); 14711 W. Morrison Rd (Red Rocks Baptist Church) – Report of two parties living in a Van (KY 476-TYN) parked on church property (cleared both and advised); 301 Bear Creek Ave (Morrison Inn) – Two person argument (separated, paid bill and left); 109 Bear Creek Ave (Willy's Wings) – Assisted patron who locked keys in vehicle (CO 365-QEQ); 16283 Morrison Rd (Conoco) – Two intoxicated males waiting for sober ride (cleared, checked OK); 101 Bear Creek Ave (Ozzi's) – Verbal dispute between owner and CDOT driver (CDOT driver working on sign pole parked blocking large vehicle access to Ozzi's, resolved by Chief); Canyon Vista Drive @ Hwy 8 – Male walking down highway late at night (courtesy ride home close by); 14711 W Morrison Rd (Red Rocks Baptist Church) – Unwanted party asked to leave (complied before MPD arrived); Mt Falcon Park – Assist male who locked his keys in vehicle (CO 961-SQZ); 215 Bear Creek Ave (Tony Rigatoni's) – Partial no pay (resolved by owners, male 86'd from business, MPD advised for record only); 14711 W Morrison Rd (Red Rocks Baptist Church) – Adult and young driver practicing with driver's permit, advised, apologized, and left); 408 Bear Creek Ave (Red Rocks Grill) – Business alarm (front door unlocked, checked clear & secured); 103 Bear Creek Lane – Several family members stopped by to visit and administer medication to grandparents (disagreement by all involved, settled and advised); 109 Bear Creek Ave – Benjamin was taken to Jefferson Co to give UA specimen for probation requirement (he had no other way to get there); 211 Bear Creek Ave (Morrison Joe's Coffee Shop) – Report of man with a gun (unfounded); 100 Bear Creek Lane – Physical altercation between brothers (both arrested after physical injuries checked); 403 Bear Creek Ave (Holiday Bar) – Female complaining of nausea, dizziness & seeing double after consuming several drinks at bar (taken to St Anthony's for drug testing, negative results, surveillance video unavailable); 109 Bear Creek Lane – Continuing brother problems (Victim Assistance now involved for family in need).
- **Five Animal Issues in August:** 209 Bear Creek Ave (Café Prague parking lot) – Dog in truck during hot weather (owners located and warned); Market St @ Bear Creek Ave – Dog in vehicle (CO RQG-829) windows cracked, animal not in distress); 3051 So Rooney Rd (Bandimere Speedway) – Dog left in vehicle while owner attended event (Animal Control called, issued owner summons for Cruelty to Animals); Hwy 8 @ Summer St – Chickens near roadway chased back into yard 08/24/2016; Red Rocks Vista Drive @ Hwy 8 – Assisted owners chase roosters back into their pen 08/31/2016.
- **Nineteen Assist Other Agencies: Colorado State Patrol (7):** WB C470 @ mm3 – Secure scene of three vehicle non-injury accident; NB Hwy 285 @ mm246.8 – Traffic control for single vehicle injury accident; WB C470 on ramp @ Morrison Rd – Two vehicle non-injury accident (advised to counter report per CSP); Hwy 6 @ Hwy 58 – MPD assisted upon request from Trooper with Spanish translation; EB C470 @ Morrison Rd – Report by motorist of a single vehicle/guardrail H & R accident she observed (investigation disclosed driver's oxygen tank fell over causing her to hit guard rail (advised to make on line report per CSP); WB C470 @ mm3 – Vehicle window blown out (secured scene for CSP); Hwy 74 @ mm16 – Traffic control for single motorcycle non-injury accident. **Jefferson County Human Services (1):** 180 Canyon

Vista Drive – Assisted Jefferson County Human Services in an interview of a juvenile female. **Jefferson County Sheriff's Office (7):** WB C470 @ Bowles Ave – Search for suspicious vehicle on highway westbound (UTL); EB C470 @ mm3 – Report of smoke on side of highway (UTL); Red Rocks Park Rd #3 (cemetery) – Unwanted party (left prior to arrival); SB Hwy 8 @ mm247 to mm238.5 – Cover Jeffco Deputy on stop of a suspicious vehicle misusing red & blue lights; EB C470 @ mm3 – Cover Jeffco MC 4 on a suspended DL traffic stop; SB Hwy 285 @ mm246 – Reported abandoned vehicle to Jeffco. **West Metro Fire (3):** 301 Bear Creek Ave (Morrison Inn) – Cover medical on a stroke victim; NB Hwy 285 @ Parmalee Gulch – Cover WMF (mother pulled over to shoulder due to an infant having a seizure); 16283 Morrison Rd (Conoco) – Bicyclist dehydrated and feeling dizzy (mother responded to pick her up). **CDOT (1):** Morrison Rd @ C470 – Traffic control for paving operations.

- **One DUI/DWAI/Drunk/Detox:** 18000 Blk Hwy 8 – Female observed walking on highway attempting to flag down vehicles (male in dodge truck advised officers he and his girlfriend were arguing when she got out of the truck and began walking, female had been drinking and was incoherent, taken to detox).
- **Six Abandoned Vehicles in August:** NB Hwy 285 @ mm247.5 – Vehicle (CO 604-SDQ) with flat tire (cleared & red tagged); RTD Parking lot across the street from Conoco – Vehicle (CO Temp 802875S) cleared & red tagged; RTD lot (Conoco) - Vehicle (CO Temp 802875S) towed (was not picked up after 24 hours); Mt Falcon Park – Vehicle (CO 147-KUQ) cleared and red tagged; 16101 Morrison Rd (Waste Water Treatment Plant) – Vehicle (CO 920-VVJ) left outside gate (cleared and red tagged); Summer St between Hwy 8 and 3rd St – Vehicle (CO QEK-469) abandoned (cleared & towed).
- **Six Road Debris/Traffic Hazards:** WB C470 @ Morrison Rd – Vehicle bumper moved from #1 lane (08/01/2016); NB Hwy 285 @ mm248 – Vehicle parts moved from highway to shoulder (08/04/2016); EB C470 @ Morrison Rd – Metal objects moved to shoulder (08/11/2016); EB C470 @ Morrison Rd – Remove construction sign to shoulder (08/16/2016); EB C470 @ Morrison Rd – Chair on highway moved to shoulder (08/20/2016); SB Hwy 285 @ mm248.5 – Wood on highway moved to shoulder (08/27/2016).
- **One Suspicious Vehicle:** Mt Falcon Park – Vehicle (CO 147-KUQ) cleared & red tagged.
- **Six Nursing Home Calls (150 Spring St):** Female and male patients in wheel chairs arguing while outside smoking (one wheel chair ran into the other getting to the ash tray, staff to assure that these two patients do not use the smoking area at the same time in the future); Two female patients eating when one (95) hit the other (63) with a wheel chair (no physical marks, dementia involved); Two female patients (85 & 89) arguing in their room (both with dementia); A female patient with bruised hand allegedly caused by another female patient (neither recalled anything, both with dementia); Two female patients (84 & 76) involved in a physical altercation at a luau party for residents (both with diminished mental capacity); Female & male patients arguing about seating at dinner table (male apologized and both were seated at opposite ends of the dining room).

- **Thirty Miscellaneous Incidents:** 18000 Blk Hwy 8 – Call on a suspicious party in camouflage carrying a rifle (contacted party, a 10 yr old boy carrying an airsoft rifle , and advised him and his parents of the dangers of his actions, all understood); SB Hwy 285 @ mm247 – Routine traffic stop for speeding results in summons issued for driving without a valid driver's license; SB Hwy 285 @ mm247.5 – Routine traffic stop for speeding results in summons issued for driving with a denied driver's license; Hwy 8 @ Aggregate Industries entrance – Routine traffic stop for no valid license plates results in summons issued for driving with expired license plates and failure to cover load of ¾" rock; SB Hwy 285 @ mm247 – Routine traffic stop for speeding results in summons issued for driving with a restricted driver's license requiring an interlock device; EB Hwy 74 @ mm18 – Routine traffic stop for speeding results in summons issued for expired license plates; SB Hwy 285 @ mm247.5 – Routine traffic stop for speeding results in summons issued for driving with a denied driver's license (medical); WB Market St @ Mt Vernon Ave – Routine traffic stop for a stop sign violation results in driving with a suspended driver's license (non-payment of child support); WB C470 @ mm4 – Routine traffic stop for speeding results in driving with expired license plates; 100 Blk Bear Creek Ave – Male/Female verbal argument on street results in both being arrested for violation of protection order against each other; SB Hwy 285 @ mm247.5 – Routine traffic stop for speeding results in summons issued for driving without a valid driver's license on person; WB Hwy 74 @ mm18 – Routine traffic stop for speeding results in summons issued for driving with a suspended driver's license (insurance termination); SB Hwy 285 @ mm247.5 – Routine traffic stop for speeding results in summons issued for driving with expired license plates and a denied driver's license (unpaid tickets); 300 Blk Bear Creek Ave - Male/Male physical altercation (both cited for disorderly conduct); EB C470 @ mm4 – Routine traffic stop for speeding results in summons issued for driving with a suspended driver's license (non-payment of child support); SB Hwy 285 @ mm247 – Traffic stop for driving a vehicle with expired license plates results in summons issued; SB Hwy 285 @ mm247.5 – Routine traffic stop for speeding results in arrest made of a Habitual Traffic Offender with an active warrant out of Aurora (criminal trespass); NB Rooney Rd @ Conoco (16283 Morrison Rd) – Truck exiting Conoco stopped and summons issued for driving with expired license plates; EB C470 @ mm4 – Routine traffic stop for speeding results in summons issued for driving with a suspended driver' license (non-payment of child support); WB Bear Creek Ave @ Mt Vernon Ave – Traffic stop for extremely tinted windows results in summons issued for an expired temporary sticker; NB Hwy 285 @ mm247 – Routine traffic stop for speeding results in summons issued for driving with a suspended driver's license (no interlock device); WB Hwy 74 @ mm18 – Routine traffic stop of a motorcycle for speeding results in summons issued for riding without a motorcycle endorsement; Rooney Rd @ Morrison Rd – Traffic stop for expired plates results in summons issued for driving with a denied driver's license and no insurance; SB Hwy 285 @ mm247.5 – Routine traffic stop for speeding results in summons issued for driving with a denied driver's license (unpaid tickets); EB Morrison Rd @ C470 – Traffic stop for red light violation results in summons issued for driving with fictitious plates and failure to register vehicle within 60 days of purchase; EB Hwy 74 @ Hwy 8 – Routine traffic stop for speeding results in summons issued for driving without a valid driver's license; SB Hwy 285 @ mm247.5 – Routine traffic stop for speeding results in summons issued for driving with a suspended driver's license (insurance termination); WB Hwy 74 @ Red Rocks Park Rd – Routine traffic stop for speeding results in summons issued for driving with a denied driver's license (unpaid ticket); WB Mt Vernon Ave @ Stone St – Traffic stop for expired plates

results in summons issued for driving with probationary red driver's license (outside restrictions) and no insurance; SB Hwy 285 @ mm247.5 – Routine traffic stop for speeding results in summons issued for driving with a suspended driver's license (non-payment of child support).

3. There were 17 dispatched calls in which Morrison Police Officers were unable to locate the subject of the call or the incident such as: Vehicle unable to maintain lanes, trailer hitch in roadway, suspicious vehicle blocking roadway, driving northbound in southbound lane, REDDI reports, abandoned truck on side of road, traffic hazard, aggressive driver, single vehicle accidents, young boy on highway with no shoes, car fire, welfare check and lost keys.

4. Jennifer answered 648 phone calls and assisted 60 walk-ins to the police building in August, 2016.

5. Morrison Police Officers issued 975 traffic citations, gave 63 warnings and 28 parking tickets in August, 2016.

Thank you all for your continued support,

Rudy Sandoval, Chief of Police
Morrison Police Department
(303) 697-4810
chief@police.town.morrison.co.us

To: Mayor and Board of Trustees

From: Matthew T. Mossbrucker, Director, MNHM

Subject: Monthly Report - July/August 2016

Date: August 31, 2016

Visitation & Revenue

Museum enjoyed a successful summer season, which is now slowly coming to a close. The staff and volunteers served thousands with hundreds of personalized tours. Based on current trajectories and annual visitation patterns, we anticipate serving around 16,000 visitors in 2016. Year to date, about half of our visitors hail from outside of the Denver area (38% other US State, 8% other Colorado outside the metro area, 2% international). Visitors that call Jefferson County home made up 27% of museum visitors. These data reinforce the notion that the museum is attracting or at least retaining tourists to Morrison.

Just over \$71,000 has been raised in tickets and gift shop sales to the end of August 2016. Gift shop sales are just over \$22,840 (gross, after tax) year to date.

Behind the Scenes

Alamo Drafthouse Fundraiser and Outreach - In July, the MNHM Foundation hosted an outreach table in the lobby of the Alamo Drafthouse movie theater that promoted the museum and sold items from the gift shop. Dr. Bakker and I presented a talk before a screening of the latest 'Ice Age' movie. Part of the proceeds from ticket sales went to the MNHM Foundation.

Gem and Mineral Show Outreach - We are prepared to again staff an outreach booth at the mid-September (10th - 18th) fossil and gem shows at the Denver Coliseum. At the venue formerly known as the Denver Merchandise Mart, we will present an unstaffed brochure and banner booth from the 16th to the 18th. We are also looking forward hosting our booth for CiderFest late this month.

Revisited MoU with Friends of Dinosaur Ridge - The non-profit that operates tours of the Alameda road cut is again under new leadership. This change in guard is temporary, with a permanent replacement being sought now. I am negotiating a revised Memorandum of Understanding with the group to better collaborate and pool resources. Among the items being discussed, the sale of a joint ticket to both attractions, joint promotions and outreach, and assistance with training.

Partnership with Glenrock Paleon Museum - we will be partnering with a small paleontology museum in Glenrock, Wyoming. The main goal is to collaborate on fundraiser fossil digs in Wyoming that the public can pay a fee to assist in the collection of fossils for the museums. A Memorandum of Understanding is being negotiated now.

We are now introducing a slightly revised training program to train new volunteers.

Three technical papers (one talk, two posters) were accepted for the Geological Society of America's annual meeting to be held in Denver this month. In these reports we will communicate our work on local fossils, the way in which we use our fossil preparation lab for science communication, and the skulls of giant Jurassic dinosaurs. This activity is important as it attracts and retains volunteers and donors.

Cast acquisitions & exhibits - Post-September, staff will be focused on facility improvements and the creation of a handful of exhibits to debut in the Spring of 2017. New exhibits create a marketing opportunity to promote the museum.

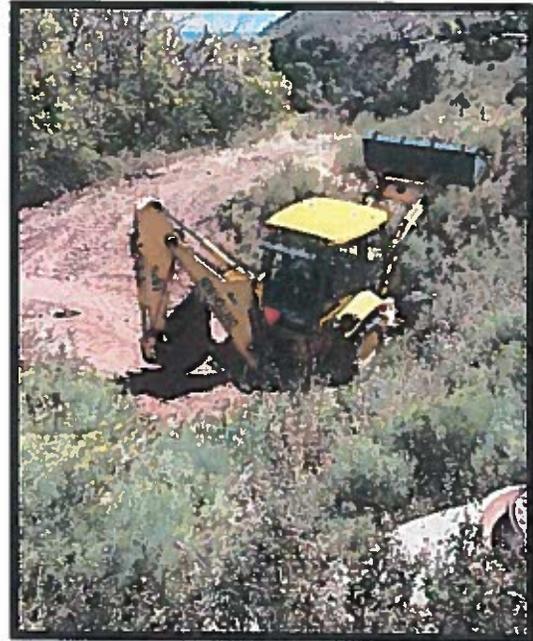

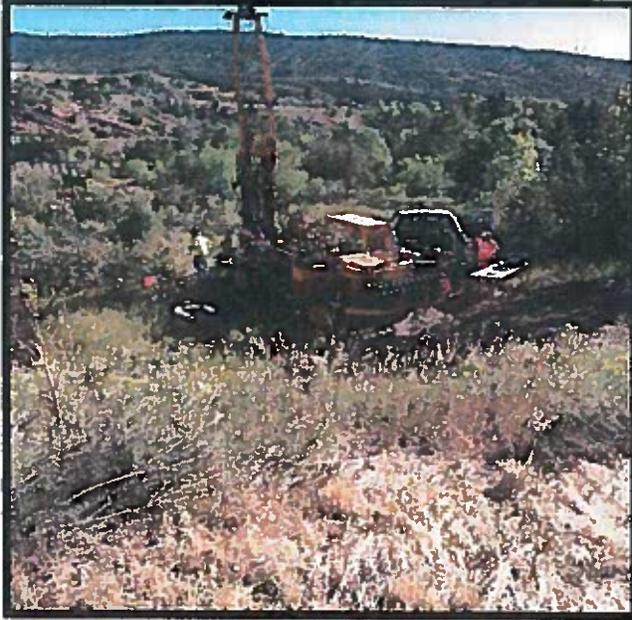

UTILITY DEPARTMENT

8/30/16

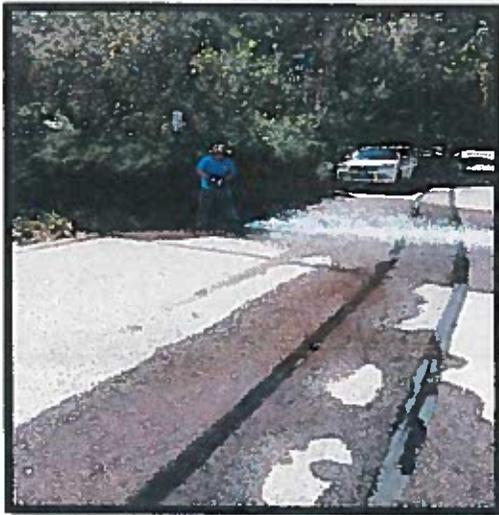

loc

WATER

- The 60% design for the clearwell has been submitted to the CDPHE for approval.
- Transmission main for Red Rocks Amphitheater was pressure tested and passed.
- After the Utility Department excavated an access path (with CABI oversight) we finally were able to get Terracon (GEO TECH) out to the clearwell site for soil sampling.

- We have completed our annual flushing/maintenance of all fire hydrants, valves and blow offs in the Town Of Morrison for 2016. We will be flushing special locations again before the end of the year, like the blow off at the end of Canon ST.
- APC construction (new paving that is being done on C-470) damaged a second fire hydrant down at the Conoco that had to be replaced. All is fixed and back up and running.

WASTEWATER

- I Spoke to Red Rocks Elementary regarding sewer smell as well as the recent reports on 9 news about lead in the schools water. First let me say that there is no problem with the water that we produce. JEFFCO Schools sampled from 31 sites inside of the school and 4 of the samples came back with elevated levels of lead and copper. This has to do with the schools water fixtures and not the water itself. They have shut down those sample stations and will be replacing the fixtures/plumbing before resampling. You can see all the sample sites as well as the results on JEFFCO Public Schools website.

As for the sewer smells, I will be moving in the direction of getting pricing on manhole lids that have a carbon filter underneath to try and destroy the sewer smell temporarily. I will be in talks with Joe Davis (Red Rocks lead operator) to see if they would be willing to split or take care of some of this cost being that we are having this issue because of the way they treat their waste. Furthermore I did a walk-through of the odor issues coming from Red Rocks with Greg Woodward from Stantec at Red Rocks Amphitheater and around the elementary school, within the next two weeks we will be placing odor sensors in three of the four strongest manholes around the school to come up with some data of the strength and duration of the H₂S. This will enable us to come up with a permanent solution to these odor issues. One possible solution would be to install a fan/activated carbon filter in the strongest H₂S manhole at the school, this works on the principle that the fan sucks the odors up out of the manhole and through a filter cleaning the odor. This would create a negative pressure environment in the manhole causing most of the odors to come up in one spot.

- We received 600 tons of asphalt millings from APC construction. We will use these millings for our roads at water and waste water in the upcoming months.

BCWA

- There was a lot of discussion about the financial plan for the BCWA moving forward and how the fee structure for non-point dischargers should be established. Morrison is a point discharger and the fee for Morrison is expected to be \$4,184 for 2017 and \$4,184 for 2018. (It was \$3,366 on 2016). This fee includes the cost for Regulation 85 sampling and reporting.
- A representative from the Forest Hills Metropolitan District gave a presentation on their progress towards completing a source water protection plan. This was focused on the source of their drinking water however, it is interesting to note that the wastewater treatment facility for Forest Hills Discharges to Mt. Vernon Creek which ultimately runs through the Town of Morrison. This is the same creek that is currently being sampled by the Town for Copper.
- A representative from the Colorado Rural Water Association gave an update to the group about grants that are available for municipalities to complete a source water protection plan. The grant is ultimately for \$5,000 and needs to be matched with Town funds that can be in kind services. This may be a good option for the Town of Morrison to look into the quality and protection of raw water for the Town in more detail (intake from Bear Creek, Operating Reservoir, Aggregate Industries). Two entities in the Bear Creek Watershed have recently completed this effort (Evergreen Metro and Forest Hills) and they both had positive things to say about the process.

**Thank you
Fritz Fouts
Utility Director**

From: Jose Torres
Subject: Streets, Grounds & Buildings Report

The weather has been changing lately so we are just about done mowing and weed eating throughout town. We have one more project left at the Museum. We are going to restore a few steps on the South end of the museum soon. I rented a chipper from Arapahoe Rentals two weeks ago to chip our large pile at the bone yard. Apex Tree Service failed to help us out. It took us 5 days to chip the pile. Now we are giving away free woodchips and firewood. I am planning on getting a 30 yard roll off dumpster for tree limbs and removals that are still pending on the work list.

Also we planted some grass seed in a few areas in town and are hoping to restore the bare spots. We have been spreading recycled asphalt at the water and sewer plant to cover the dirt road and help melt the snow better this coming winter. We are working on a few ditches so the water can drain better whenever it rains. Last week I contacted at least 4 different tree removal companies located close by. I need help with a few large tree removals and trimming a couple hazardous trees. Hopefully I will meet with them next week. I have had a few minor problems with our equipment and dump truck recently. We ordered a few parts to fix our problem. We lost our seasonal recently. He was headed out to Vail, CO for a different job.

MEMORANDUM

Date: 09/02/2016
To: Mayor and Board of Trustees
From: Kara Zabilansky
Subject: Budget 2017

Attached is the first submittal of the 2017 Budget. The Board can decide if budget workshops are necessary.

Staffing

- Staffing changes include an increase in a part time Museum Assistant and an Operator for Red Rocks Water Services
- General Fund revenues should remain constant or increase in 2017.

General Fund Capital Projects

- There is \$150,000 in grant revenue and \$200,000 in expenses for the proposed Highway 8 trail.
- The computer upgrades include a hard drive for backups, McAfee spam filtering, wiring the Museum along with firewall and network for the Museum, separate phone/data hardware.

Administration

- No significant changes.

Board of Trustees

- No changes.

Building Inspection

- Everything remains the same as 2016. Revenues will off-set expenses.

Election

- No changes.

Municipal Court

- No significant changes.

Planning and Zoning

- Changes include budgeting for Red Rocks Centre which will be paid by the developer.

Police Department

- Changes include various increases/decreases.

Streets, Grounds and Buildings

- No significant changes.

Museum

- Includes an increase in revenues and an increase employee benefits and inventory expense.

Utility Fund Capital Projects

- Move the clearwell project from 2016 to 2017.

Sewer Department

- No significant changes.

Water Department

- Decrease in budget.

Utility Fund Revenues

- No significant changes.

TOWN OF MORRISON
BOARD OF TRUSTEE REGULAR MEETING
September 6, 2016
Board Action Form

SUBJECT: Approval of Consent Agenda

PROCEEDURE: Approve the minutes, vouchers and payroll

RECOMMENDATION: Approve the Consent Agenda

TOWN ATTORNEY REVIEW: YES NO

MOTION: Motion to approve the Consent Agenda.

**TOWN OF MORRISON BOARD OF TRUSTEES
MORRISON TOWN HALL, 110 STONE STREET
REGULAR MEETING OF THE BOARD OF TRUSTEES
TUESDAY, AUGUST 16, 2016
6:00 P.M. – 9:00 P.M.**

Call to Order. Mayor Sean Forey called the regular Town Board Meeting to order at 6:00 P.M.

Roll Call. Mayor Sean Forey, Trustees Brewster Caesar, Venessa Angell, Katie Gill, and Debora Jerome were present. Christopher Wolfe was present by remote telephone call. Allen Williams was absent. A quorum was established.

Staff Present. Gerald Dahl (Town Attorney), Kara Zabilansky (Town Administrator) and Charla Bryant (Town Clerk).

Amendments to the Agenda. None.

Public to Address the Board.

Anne Marie Dogan, 131 Red Rocks Vista Lane, Morrison, CO 80465. Dogan stated that last September, 2015, she came before the Board regarding the noise at Red Rocks. There was to be a special meeting of the Town, but it did not occur. She is demanding that the Board take action. Dogan has notes reflecting dates, times and events of what she considers unreasonable noise. The situation at Red Rocks is mentally and physically exhausting. Dogan has problems with the pollution of lights, noise and cars. Dogan has written to Tad Bowman, Director of Theaters and Arenas, in January and again on August 13, 2016 and has called Denver management. Dogan does not feel it makes sense that outdoor events go on until midnight. Dogan feels that during the week and Sunday, concerts need to stop at 10:00 or 10:30 pm. Lights are on at 8:30 p.m. for the crews and are visually ugly; evergreens could be planted to help with the lighting and noise. The Board should take her seriously. Several neighbors are moving or renting their homes because of Red Rocks. Prospective buyers are looking for quiet places to buy. Red Rocks affects property values. The Board needs to find a solution.

Ryan Burriss, 110 Wood Lane, Morrison, CO 80465. Burriss stated the Wood Lane easement should be decided upon and should be split between all property owners. Burriss believes all property owners receive benefits. Forey stated it should be split on the road on property lines down the middle. Details will be discussed later in the Board Meeting under 6d.

Kathleen Dichter, 109 Spring Street, Morrison, CO 80465. Dichter said she understands the Board can dial into the meetings by phone. Dichter asked if this would be open to the public to allow the public to call in. Dichter stated that in the financials for the Town she noticed there was a credit on Aflac for \$1108.34.

Presentations and Hearings.

Forey called the Liquor License Authority to order.

Morrison Holiday Bar Liquor License Application. The Liquor License Renewal Application is being referred to the Board for approval. Some violations have been found. Dahl stated there should be a public hearing and a decision needs to be made. If the Board has issues, a hearing should be set. Dahl stated any action tonight would only be to grant the license and that in order to have all choices available, a hearing must be set. Gill stated the issues are significant enough to want to discuss the license. Gill made a motion to set the liquor license renewal for DYK, Inc. d/b/a Morrison Holiday Bar for a hearing on September 6, 2016 at 6:00 p.m. Wolfe seconded the motion. All presented voted in favor of the motion.

Forey closed the Liquor License Authority and returned to the regular meeting.

Jennifer Bennett, the Town Accountant, was present at the Board meeting. Zabilansky introduced Bennett to the Board.

General Business.

Ordinance 436 – An Ordinance Amending the Morrison Municipal Code by the Adoption of a New Chapter 3 within Title 5, Concerning Open Burning Regulations. Dahl went through Ordinance 436 regarding the prohibition of fires or burning. Under 5-4-1: OPEN FIRE AND OPEN BURNING: the word “permissible” will be deleted from line three of that paragraph; under 5-4-2A the words “at all times” will be deleted and the words added “... on the Town website and other locations, at the discretion of the Town Administrator,” to fully advise the public.... Dahl stated the need for the public to know when this ordinance is in effect is high. The ordinance should be posted throughout the Town and placed on the website. Gill said the ordinance will tie the fire ban into that of Jefferson County. Forey made a motion to adopt Ordinance 436, an Ordinance Amending the Morrison Municipal Code by the Adoption of a New Chapter 3 within Title 5, Concerning Open Burning Regulations. Caesar seconded the Motion. All present voted in favor.

Appointment of Rooney Valley Planning Commission Members. Forey stated the Board wants more time and asked that the matter be put on the agenda on the September 6, 2016 meeting.

IGA with Jefferson County for a Coordinated Election. Dahl stated the IGA is a standard document. Wolfe made a motion to adopt an Intergovernmental Agreement for a Coordinated Election with the Clerk and Recorder of the County of Jefferson, State of Colorado and the Town of Morrison. Gill seconded the motion. All present voted in favor of the motion.

Wood Lane Alignment. Zabilansky presented a map reflecting Wood Lane and the proposed location on the parcels. Property owners would each give an easement. The road could be moved. Zabilansky is getting information on the location of the waterline. Gill stated people

like to have lines under the road. There is a utility easement. It was questioned whether the Board was interested in paving Wood Lane after Wood Lane is dedicated to the Town. Zabilansky believes it is fair to split the easement between the east and west property owners. Gill said there is a shed that would need to be removed. DeWayne Rhodig (Streets and Grounds) stated there is a sewer line that goes up the center of Wood Lane. Dahl stated the next steps would be to decide on a tentative alignment and then have the staff talk to the property owners. Forey stated it is an expensive project to pave the road; \$150,000.00. Dahl said the right to have the road placed would need easement deeds from the property owners. Easement deeds could be conditioned on financing the paving. Dahl said there would be a decision on who pays. The Town would need to be put on a capital improvement list so it could be budgeted for. Zabilansky does not believe there will be an issue of the property owners dedicating the right of way. Forey will approach the property owners and ask for a right of way dedication. Burris wants to move forward with the variance. The Board directed staff to start the process.

Departmental Reports.

Court. There were no comments or questions.

Accounting. Zabilansky stated sales tax went up because the Town was busier. There were no questions or comments.

Administrator. Zabilansky stated the crosswalk in Town has been fixed. The Wayfinding signs have been approved by CDOT. There were no further questions or comments.

Attorney. There were no questions or comments.

Consent Agenda. Caesar made a motion to approve the Consent Agenda. Jerome seconded the motion. All present voted in favor of the motion.

Board Comments. Caesar stated the trees are overgrown on the Canon Street Bridge and the sign regarding weight limits cannot be seen. Gill said it was great that the Police Department will do things like vacation checks. Forey stated the Board reviews sound surveys with the management at Red Rocks. The sound level has been better than it has in the past. Red Rocks is not exceeding the time restrictions or the noise levels. The Board will meet at the end of the season. Caesar stated Dogan's house is the most exposed house in Morrison. The Board needs to inform people of what is going on. It was decided by the Board to put messages from the Board in the Hogback in the future to let people know what is happening in the Town. Caesar agrees that Denver could spend money on shielding of the lights. Gill questioned the Board about the meeting that did not happen. Caesar stated he was not aware that the Board said they were going to have a special meeting about Red Rocks. Jerome stated the noise and lights are better. Wolfe said he lives next to Dogan and the noise and lights have definitely gotten better.

Executive Session. A motion was made by Gill for a conference under Charter Section 3.4 and Section 24-6-402(4)(b) and (e), C.R.S., with the Town Attorney, Town Administrator and

appropriate staff to receive legal advice and instruct negotiators concerning Red Rocks Centre. Caesar seconded the motion. All present voted in favor.

Forey called the Executive Session to Order on Tuesday, April 4, 2016 at 7:26 p.m. Present were: Sean Forey (Mayor), Trustees Brewster Caesar, Venessa Angell, Katie Gill, and Debora Jerome; Gerald Dahl (Town Attorney), Kara Zabilansky (Town Administrator) and Charla Bryant (Town Clerk). The purpose of the Executive Session was to discuss Red Rocks Centre.

End of Executive Session. The Executive Session was adjourned at 8:22 p.m.

Adjournment. The Meeting was adjourned at 8:22 pm.

TOWN OF MORRISON

Sean Forey, Mayor

ATTEST:

Charla D. Bryant, Town Clerk
