## Streets and Grounds

The Streets and Grounds crew did an excellent job clearing all the shrubbery, small trees and weeds from the front of the Morrison Operating Reservoir Dam. The CPDHE dam engineer/inspector, comes out once a year to inspect the integrity and condition of the dam. He informed us that we must remove all shrubbery from the face and the base of the dam due to the possibility that the roots could weaken the dam face. The inspection passed with no issues except for the proactive maintenance to the vegetation that was requested.

**2020 Field Paleontology Program:** Join the MNHM in the field as they hunt for fossils in central Wyoming in the 2020 field season. This program is an informal field school for folks who are serious about digging deeper - pun intended - into paleontology. Contact the museum for details, find more information on the museum's website, [mnhm.org](http://mnhm.org).

**Volunteer with Us:** Learn to prepare fossils, lead programs, and more. Contact Matthew Mossbrucker at [director@mnhm.org](mailto:director@mnhm.org). Training is provided, no experience necessary. In support of volunteers, a series of free talks focused mostly on local geology and paleontology is scheduled to take place at the Town Hall in late October. Town residents are welcome to attend. Check our Facebook page for more information.

**Follow Along:** see regular updates on our social media accounts, both Facebook and Instagram (@morrisonmuseum).

Sincerely,

**Matthew T. Mossbrucker**

# Caroling in Morrison

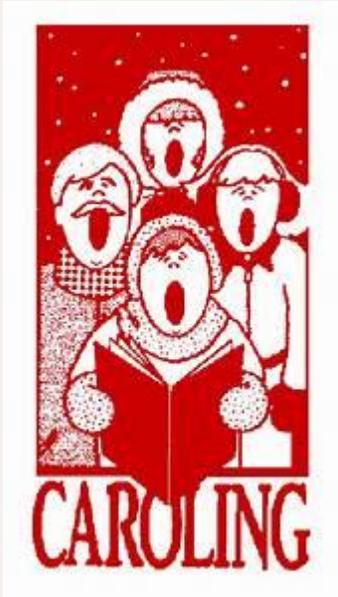

**Friday, December 6, 2019 6:00 P.M.**

Meet in the lobby of the  
Bear Creek Nursing Center  
at 150 Spring Street.

Carol through the halls - then down  
through town, stopping here and there.  
With WASSAIL served at the Town Hall  
at 110 Stone Street.

WASSAIL is hot ("mulled") spiced sweet  
apple cider - and can warm up  
Cold hands and cold voices!  
(You know Apple Annie knows how  
to make that!)

# What is the State Health Insurance Assistance Program?

The State Health Insurance Assistance Program (SHIP) provides people with Medicare with information, counseling and enrollment assistance. SHIP counselors are certified to answer your Medicare-related questions and provide free, in-depth, one-on-one help.

SHIP counselors can help you understand your Medicare benefits, coverage rules, written notices, forms, appeal rights and procedures. They can help you obtain coverage through Original Medicare, Medicare Advantage (Part C) plans and Medicare Prescription Drug (Part D) plans. If you are finding it difficult to afford health care on your income, contact us – we may be able to help you apply for cost-saving programs. SHIP counselors can also help you compare Medicare supplemental (Medigap) insurance policies and explain how other insurance plans work with Medicare.

## Common reasons people contact a SHIP counselor include:

- I am (or someone I love is) getting older and I want to know what Medicare plans, benefits to help with Medicare costs and Part D drug plans are available.
- I am (or someone I love is) not sure which Medicare plan or drug plan is best for me.

- I think my Medicare information was stolen, lost or fraudulently charged.
- I need help applying for programs to help with out-of-pocket Medicare costs.
- I want to request a class on Medicare and other helpful programs for a group of Medicare-eligible people.

## What to expect from SHIP:

When you call SHIP, you will have a confidential conversation about your Medicare issue with a certified SHIP counselor. If you prefer, you may call us to schedule an in-person appointment at our downtown location. We cannot accommodate walk-in clients without an appointment.

## Here are some things to have handy when you call or meet with a SHIP counselor:

- Medicare card
- list of current drugs – your pharmacist can print this for you
- Medicare Summary Notice
- documents related to your Medicare issue (such as bills and statements)

Phone and in-person appointments generally last 30-60 minutes, during which SHIP counselors conduct on-the-spot research to help you solve your Medicare issue.

To contact a SHIP counselor, call 303-480-6835, email [ship@drcog.org](mailto:ship@drcog.org) or visit [drcog.org/ship](http://drcog.org/ship)
