Morrison Natural History Museum

Morrison Natural History Museum is open!

You will have the museum all to yourself, an exclusive experience to allow you to explore and learn about all sorts of amazing creatures. Morrison Natural History Museum welcomes you to have special access to our fossils and their ancient stories.

Tickets are available online. We require reservations in advance. The reservation will be made for a specific time

and allows you to explore the museum for a timed session of one hour. To purchase timed tickets visit: www.mnhm.org.

Using the guidelines for retail operations offered by the State of Colorado in conjunction with new guidance from the Town of Morrison, these guidelines and the changes below will outline how we carry out our mission to serve. We must work together to keep one another healthy by taking to heart these guidelines:

- All persons over the age of 2 will be required to wear a mask when exploring the museum.
- Masks will be made available to those who arrive without.
- Timed tickets will be sold online to both allow for physical distancing and to lower our visitor count.
- A custom MNHM tour app will be available soon to virtually guide visitors through the exhibits.
- Don't have a smart device? You may borrow a tablet with the MNHM tour app preloaded.

We are excited to welcome you back in a safe and friendly environment. Please contact the museum on our social media or email us at info@mnhm.org to answer any questions.

Follow along with us on Facebook or Instagram (@morrisonmuseum).

Sincerely,

Matthew T. Mossbrucker
Director and Chief Curator

PUBLIC WORKS DEPARTMENT

Utility Department

Thank you to all the homeowners who were selected to participate in our lead and copper sampling program. You helped complete the 2020 lead and copper sample collection within the CDPHE timeframe. The results, for those who were selected, will be mailed out and you will be receiving them soon.

Streets and Grounds

Welcome, Scot McLinden, the newest Public Works employee! Scot will be seen around town assisting Gabe Daurio with all things Streets and Grounds related.

We try hard every week to patrol the town and look for limbs that have been put out to the curb for pick up. If you have limbs that need to be picked up that seem to have been missed and it has been over a week, please call the Town of Morrison office and schedule to have your limbs hauled away.

**Thank you,
Fritz Fouts
